Transportation Fees 2026 – 2027 School Year

Dear Parent/Guardian of YLHS Student:

The Placentia-Yorba Linda Unified School District has established transportation fees for students who use the bus to travel to and from extra-curricular activities.

Transportation fees are established by the cost of the bus itself and cost for the driver. These costs may vary between sports, based upon the distance traveled, frequency of events and the number of hours a bus remains at an activity.

The decision to ride the bus or find another source of transportation belongs to each family. Families would select the transportation option on the **Co-curricular Transportation Form** in Home Campus.

- **District Provided Bus Transportation:** Parents can choose this option for their student. Students will travel by district or district approved charter bus to and from events. Transportation fees are shown for each co-curricular activity or sport on the next page.
- **Private Transportation:** Parents have the option of providing transportation for their student to and from each away event if they so choose. If this option is used, the student **will not** be allowed to travel by bus with the team or group. Families that choose private transportation must also complete the **2026-2027 DMV/Risk Management School Driver Form** on Home Campus.

Payment Options:

- **Paying by check** - Checks are payable to PYLUSD (NOT YLHS). You can bring your check to Back to School Days and submit it at the YLHS ASB Finance Office. *Please note that transportation is payable to PYLUSD while other items purchased at registration will be payable to YLHS.*
- **Paying by cash** - Your cash payment can also be processed at the YLHS ASB Finance Office during registration.
- **Paying with card** - through the PYLUSD Community Webstore [here](#).

Due dates for transportation fees:

Fall Sports:	Friday, August 14, 2026
Winter Sports	Friday, October 30, 2026
Spring Sports:	Friday, February 5, 2027

Co-curricular activities due dates will be provided by the teacher.

If you have any questions about transportation, please feel free to contact the school.

Sincerely,

Dr. Bird Potter
Principal
